

## What We Believe

God, a loving and forgiving God, sent His Son, Jesus Christ, to restore our lives. We believe this because it's what He reveals about Himself in His Word, the Bible.

Through His Word, Baptism and Holy Communion, we become members of His family and receive His blessings of peace, hope, love and eternal life.

We live as a loved family of God, praising Him in our services, serving Him through our lives, helping those in need and receiving His blessings daily.

## About St Luke

St Luke was first established in 1961. We are part of Lutheran Church Canada and are associated with The Lutheran Hour Ministry.

We have grown over the years and currently have about 400 members, which still include some of our founding members.

We undertake many activities that bring our families together to worship, care for one another, learn, have fun and most of all, build a stronger personal relationship with God.

# Our Staff

## Pastor Edivar Govaski

moved from Brazil to Canada in September 2006 to assume his role as senior pastor at St Luke. Pastor's interests and priorities lie in the fields of evangelism, fellowship and education.

Email [pastored@slc.ca](mailto:pastored@slc.ca).

**Matthew Tressel** works with the youth and worship service.

He has been a member of St Luke since 2002, and is excited for what the coming years hold as God leads him in His work.

Email [matt@slc.ca](mailto:matt@slc.ca).

**Rosalyn McKay** is our church secretary.

# Programs and Small Groups

Small groups provide opportunities to take part in events that are of interest to its members. Each group has a purpose, studies the Word of God and provides support through fellowship. And we wouldn't be Lutherans if we didn't enjoy fun and food!

St Luke offers a variety of programs and opportunities for people to participate in and get connected. For more information on any of the following programs, please check out our website at [www.sllc.ca](http://www.sllc.ca).

**Sunday School** teaches pre-school to grade 8 children about God and his love. Children have fun singing and playing games.

**Youth group** is for kids in grade 7-12 who want to have fun, build relationships, and grow in their relationship with God. Contact Matt Tressel at [matt@slc.ca](mailto:matt@slc.ca).

**Young adults** is a program that allows people in college or starting their careers to have deeper discussions on topics that are important in today's world, and how it all fits in with our relationship with God. Contact Matt Tressel at [matt@slc.ca](mailto:matt@slc.ca).

**New members' classes** help those who wish to become members of St Luke go through the basics of what we believe through an eight-session Bible study. Contact Pastor Ed at [pastored@slc.ca](mailto:pastored@slc.ca).

**Evangelism training** is a great way for any believer to strengthen their own faith and learn how to share it with others. Contact Pastor Ed at [pastored@slc.ca](mailto:pastored@slc.ca).
